Medical Details

Please list any illnesses or allergies your child may have, and any medications we should be aware of:

.....
.....

Should your child require any medication to be administered during their training session or game, we must insist that you remain with your child through-out the session/game (due to conditions laid down in our insurance policies). The only exception is if your child has an inhaler and can recognise both the need to use it and can self-administer it correctly - however, if you do choose to leave your child in such circumstance, then the responsibility remains yours and does not pass to WVFC.

Parental Consent to treatment

I do/do not consent to my child receiving medical and/or dental treatment being given if required in an emergency situation if deemed necessary by Paramedic or doctor.

Photography/videotaping

I do/do not agree to my child's name being included on any form of media.

I do/do not agree to my child being photographed or video-recorded during club activities

Club Statements

I agree to my child taking part in any activities, particularly those of an outdoor nature, organised by Warndon Villages Football Club (WVFC).

I understand that Warndon Villages Football Club (WVFC) accepts no liability other than that in respect of enforceable third party claims against members of the committee /volunteers.

I understand that if I so wish I can take out Personal Accident Insurance covering my child against accidents, which may occur through no fault of supervising staff, and that such insurance is my responsibility.

I have received the Club Membership booklet and in particular, have read, understood and agree with the RESPECT code of conduct for players and spectators.

Privacy Notice
